REFERENCE FOR: THE ASSISTANT DIRECTOR FOR POLICY COORDINATION
SUBJECT: Rumored Movement of Albanians from Italy to Greece

1. Reference is made to our Secret Memorandum to DB-2006, in paragraph 3 of which we reported rumors circulating in the Albanian colony in Greece that Ali Klenura, Ekrem Vlora, Burashli Zena and Xhafer Deva were expected to arrive in Athens in the near future.

2. We are now in receipt of information that Ali Klenura, as of 23 June 1950, was on the point of departing for Alexandria, Egypt, where he expected to remain approximately two weeks. It is understood that he may return to Rome via Greece although he has no definite plan to do so.

3. None of the other three persons named in paragraph 1 above is understood to have any plans to proceed to Greece at any time in the near future. In this connection it is considered that it would be difficult for Ekrem Vlora to make such a trip in view of his employment by the Italians as an Albanian radio broadcaster.
